

Are you curious about a Montessori Teaching Career? This free informational forum is for you!

February 3, 2018 10:30am – noon
at Juneau Montessori School, 750 St. Ann's Ave, Douglas.

AND/OR (attend one, or both!)

February 6, 2018 6:00-7:30pm
at Montessori Borealis, second floor of the Marie Drake school building,
1415 Glacier Ave, Juneau.

Southeast Alaska Friends of Montessori (SEAFOM) invites you to learn more about Montessori teaching careers in Juneau. Montessori teachers work with early learning (ages 15 months – 5 years), elementary (ages 6 -12), and adolescent (ages 13-15) in both public school and private school settings.

We will present an overview of Montessori education, take a tour of classrooms, and explain the process to become a Montessori teacher (including scholarship opportunities to fund your training).

Come meet enthusiastic teachers, parents, administrators, and community supporters to learn more. For more information about the two forums, contact Catherine Fritz by phone (907) 957-2068, or by email: fritzes@gci.net

For additional information about becoming a Montessori teacher, visit our website www.seafom-friendsofmontessori.org and click on "Teacher Training" and the Association Montessori International USA website at amiusa.org.
